### 7th January 2010

Start-up technology companies are being invited to apply to present at the UK & Ireland Tech Tour 2010, due to take place April 27-29 2010.

Following 42 successful events in other European countries, the European Tech Tour Association has organised this opportunity for 25 of the most innovative companies to present to, and network with a distinguished group of potential investors and partners from all over the world.

**Closing date for entries: 15th February 2010.**
